These are serious issues and will be dealt with severely.

CLASS POLICIES:

- Regular attendance and active class participation help you understand the content and be a successful student. Absence from 20% and over of the classes will result in a grade of 0 for attendance/participation.
- All work should be typewritten and double-spaced.
- Graded assignments will normally be returned within two weeks.
- Changes to this course outline will be discussed with you in class.

Submit your assignments on time. On time means at the end of class or, at the latest, emailed by midnight on the day it is due.

- 1) An initial 5% a week for late assignments. After two weeks the student cannot hand in his/her assignment.
- 2) Should a student be allowed to resubmit an assignment a grade of 60% is the highest grade the student can receive.
- 3) Any assignment turned in and considered not to be your own work will result in the assignment being graded "0" and no opportunity to make up the assignment or missed points.

ABSENCES:

Should a student need to be absent from a class, it is the student's responsibility to obtain material missed from Moodle and classmates.

CELL PHONES:

Cell phones are disruptive and should only be used in emergency situations. Texting is NOT allowed during class during any lecture time.

The real danger is not that computers will begin to think like men, but that men will begin to think like computers. ~Sydney J. Harris
